

Summer Reading Challenge

The school year is coming to an end, but at Anthony Paddon Elementary we are excited to announce the beginning of our new Summer Reading Challenge, which aims to keep students reading throughout the coming months!

Every time your child reads, simply record it using the supplied Summer Reading Log sheets. When students return to school in September they are asked to return their completed sheets. Then, one reader from each grade level will be chosen to receive a special prize!

The staff at Anthony Paddon are excited to encourage summer reading and look forward to seeing many completed Summer Reading Logs in September.
